## LATEST NEWS (CONT)

## ♦ Kitchen News

We're delighted to introduce Chef Jason, who brings a recipe of passion, skill, and creativity to our kitchen. Already well-seasoned in the culinary world, he's here to spice up our menu, whisk in new flavours, and serve experiences worth savouring. Sharp as a knife, never half-baked, and guaranteed to whisk you off your feet. He's got the recipe for fun and flavour in equal measure. Full meal service has been restored to Tuesday and Thursday evenings and Wednesday and Friday lunches.

## ♦ Repairs to Bowling Green Roof

Contract has been let for the repairs to the back bowling green roof. Contractor is just waiting for favourable weather conditions to commence this work.

## ♦ Indoor Pool now Magnesium

Representations by your Resident's Committee to our Caretakers were successful in having our indoor pool and spa converted to magnesium. Magnesium Pools remove the smell of chlorine from your swimming experience. Overall, magnesium pools are easier on the senses and gentler on the skin, which is ideal for anyone with skin conditions. Added benefits include stress reduction and muscle relaxation.

Please do not attempt to access pools during these times as they are required for maintenance and cleaning. This needs to be carried out to ensure the pools are safe for all to use.

## Visitors need to be Accompanied by a Resident

All visitors, including children, need to be accompanied by a Resident while in the Resort.

Alcohol purchased at Oasis and Horizon's Bars must not be taken off licensed premises. This action has serious repercussions under the Licensing Act and could result in loss of Licence. Sea Breeze, Ocean Breeze and the bowling green areas and the Horizon Clubhouse minus the swimming pool area are the licensed areas. Please advise all family and guests of this rule.
