LATEST NEWS

◆ Remembrance Day

Remembrance Day was observed again on 11th November with a respectful service which was well attended and organised by our Social Committee. Keynote speaker Terry Dowling reminded us of why this day is so important as it commemorates the end of WW1 and honours all those who have died or suffered in wars and conflicts. A minutes silence was held at 11am followed by the sounding of the Last Post and singing of the National Anthem led by our PLB Choir.

◆ Redclaws Social Bowls Club

Redclaws Social Bowls Club is our largest Special Interest Group by far with over 350 resident bowling members. The club has its own Constitution and Committee who conduct bowls activities on Sundays, Wednesdays and Fridays. Special Event Days are held during the year including State of Origin, Odds & Evens and Ladies vs Men each of which are co-sponsored by our Resident's Committee and Redclaws.

◆ Tennis Court Lighting

New lighting has been installed at the tennis courts. This is certainly welcome for night tennis during summer. Tennis is played Sunday, Wednesday and Friday 7:30am during Summer, 8am during Winter. Night tennis under lights on Mondays and Wednesdays from 5:30pm. Racquets and balls are available for social play as well as a ball practice machine. Further information is available on Resident's Website plrbar.com, under Groups.

IMPORTANT NOTICES

Palm Lake Staffing

Presently Palm Lake Bargara are experiencing some staffing absences in both administration and grounds maintenance with a number of personnel on extended leave due to unexpected circumstances. Please be understanding during this difficult time as our Caretakers manage during their absence.

Visitors need to be Accompanied by a Resident

All visitors, including family and children, need to be accompanied by a Resident at all times while in the Resort. Please note that some facilities such as Gym, Lap Pool etc are for the exclusive use of Residents only.

Process for Raising Issues or Complaints

If a Resident has an issue or complaint that pertains to the Resort they should initially consult with the Caretakers of Palm Lake Resort Bargara. If, and only if, no satisfactory response is received then the Resident should refer the matter to the Secretary of the Resident's Association in writing, providing details of any response received from PLR. Emails/letters to Committee should not be directed to personal email addresses but should be sent to address below.

The proper Resident's Association contact details are as follows :

Email : residentsassociation.plrb@gmail.com

Committee Mail address : Post Box 15 or 345 Palm Lake Resort

Raffles

Just a note, that raffles have to be approved by the caretakers.

Raffles cannot make a profit as this goes against our liquor licence, we would need to have a gaming licence for this. All moneys collected from raffles must go in prizes.

Booking Events at Palm Lake

Resident's Committee request that persons booking extra activities/presentations please be mindful of clashes with listed activities as this impacts on both events.

Take Aways after Meals

The practice of removing meals from the dining areas after meal times for later consumption is not permitted under Resort Rules due to health concerns.
