Problem regarding the use of the BBQ's. The Sea breeze BBQ was used over the Easter Break and was not left in a clean state, this will encourage vermin and cockroaches, please also the BBQ brush was removed. This is still in a need of a clean and should we find any BBQ left in this state we will have no choice but to remove the use of it as this is a health hazard. No one booked the BBQ which also begs a point of difference. This will need to be cleaned by the person who used it and left it in this state.

Please ensure all residents are aware that Use of the facilities have to be booked including the BBQ's by completing a form outside the Sea Breeze office.

On another note I have been handed a ring and a hearing aid from the Ocean Breeze and a gold like bracelet from the pool area (indoor) are you able to get that out to everyone. I would really appreciate if you would let all residents know that there is a lost property box in the Sea breeze library and to remind all residents to put anything found there, which we will be emptying by the 10<sup>th</sup> May and taking it all down to the charity shop.

The resort has had a busy time with school holidays and we are disappointed that residents and their families, where unable to clean up after themselves, by leaving the swim noodles lying around in the pool and surrounds, also someone sat there and picked at a noodle and left all the bits floating in the outdoor pool, which has the potential to clog up the filters which could in turn over work the pump and break it.

Without being rude residents need to be reminded the staff are not here to clean or clear up after them and should they wish to live in a beautiful resort they need to participate by cleaning/clearing up after themselves. I am aware this would only be a few that will spoil it for others. Caretakers Christine and John.
