At the July Management Committee Meeting there was a General discussion regarding access for emergency vehicles and community service personnel Section 87 & 87A of the Act. The main problem appears to be that the Communications Centre for emergency services sends the first available emergency vehicle, which may not be a local one, so may not have the current code for access into PLR Bargara. Local vehicles and the Local Communications Centre has the codes, but if out-of- town vehicles are sent, they may not have the gate code.

There followed some discussion regarding the possibility of leaving Gate 1 unlocked between 6.00am and 6.00pm daily to eliminate the problem during daylight hours. Survey below.

Villa	Name	A. I think it is a good Idea to leave No 1 Gate open between am and pm
Villa	Name	B. I do not want the No 1 Gate Left open.

Please fill and cut out then place in the Residents Committee letterbox in either Box 16 or in the Box 345.

# The Community Garden

**The Community Garden is located at the evacuation area gate in between V20 and V21.**

**Wally Waugh has done extensive work on the garden since he took over and there are many vegetables and herbs, such as Silver Beet, Carrots, Tomatoes, Passion Fruit, Lemons, Bok Choy, Kale, Chillies and Herbs etc.**

**Remember there is an honesty box for when you make use of the products, it would show appreciation to the work done by Wally and his helpers.**
