"The BUGLE" January 2020

I am looking for someone to take over the editing and putting together "THE BUGLE". As I have been doing it for 21 months. Or, maybe it is time, to put to bed a printed Newsletter. Mick V183.

The Residents Committee are still waiting for a date to be set for a Tribunal hearing, regarding the Foxtel situation.

RESIDENTS ASSISTANT GROUP
Happy new year to all, the assistance group has been active over the holiday break assisting minor gardening chores, hanging paintings and other chores for residents.

Our next meeting will be held at **4.00pm Wed 5th January in the Ocean Breeze Clubhouse.**

There will be discussion about the next Expo to be held later in the year, anyone with thoughts on this matter please come along.

There is a Fob for every Villa, so if you have not picked yours up yet they are at the Caretakers office and all you have to do is go and ask the Caretaker for your Villa's FOB. There will be many uses for these in the future, the initial use is for the Weekly Meals.

There is a new group formed, they meet mostly on Saturday night at the Oasis Bar in the corner near the notice board. It is not exclusive, but you have to be an A*r^ho#e to join. They are likely to call a meeting anytime there is two or more of them together and the bar being open.
