

THE COMMITTEE BUZZ

From Bernadette Gibbs (Ex-President)

A few weeks ago, on a Sunday afternoon after bowls, I did an unofficial sample survey on how the bowlers (residents) who were present would feel about an Official Residents Committee Facebook group and I humbly apologise if those residents thought they were registering their vote.

I was totally out of line in doing this and I regret this action. It has caused confusion and controversy within our wonderful community, for which I do apologise.

Welcome to Jacky Davies who has taken on the role of secretary when the position became available recently

CHANGE TO PLRBAR.COM

Please be aware that as of **1 August 2021** there will be a change to the way we login to the 'Residents' only sections of the website, there will be no more universal password.

The need for this change is:

- Ensuring security of members details
- Residents coming and going
- Being compromised on the PLRB Community Facebook

Each Villa will have a personalised password that is decided by you. Please contact Eva at ekajtar8@outlook.com or Villa 256 to organise this password.

Remember this password is only required for assessing the secure areas. All the other areas are still accessible as per normal.

DO NOT give this password to anyone else to use (no sharing) and please close out the webpage on all computers when finished.

ARPO PRESENTATION

The sign-up list will be put up on the notice board in the Seabreeze (23 July 2021). As this will be held in the cinema with limited seating (approx. 58 members) it would be appreciated if only one member of the household attends.

As PLRB have the ARPQ members here for only a short period of time, the committee thought it would be a good idea if members register their questions with the committee via the email address residentsassociation.plrb@gmail.com or placed into the letterboxes before or on Friday 30 July 2021. These will then be collated, sent through to ARPQ so they will have the answers on the day.

The committee will also ask for written copies of these answers so that we can distribute them out to our members after the presentation.
