

THE COMMITTEE BUZZ

Palm Lake Bargara Residents Association

Extends a warm welcome to all our new residents who have recently joined our resort.

The Defibs

PLRB now have two defibs, The Community one located on the wall of the Sea Breeze beside the Arts Room and PLR one which is located in the Gym.

ARPQ Presentation

As you will be aware the ARPQ presentation had to be postponed due to Covid. The Committee will look at re-organising this presentation for a date in September.

Volunteering in Palm Lake Bargara

The successful operation of many aspects of the resident community would not be possible without the invaluable resources of resident volunteers. For volunteering for Palm Lake there is a form (see Sea Breeze Notice board) that comprehensively outlines the responsibility PLRB has to its volunteers. If volunteering for the Residents Association there is a register that needs to be signed (see Secretary V344). These forms and registers are to ensure you are covered by insurance.
