Due to lack of interest over the last month or so there will not be any Saturday sessions running for the balance of 2021. A big thankyou goes out to Sue & Laurie.

THE BIG GARAGE SALE

Date 4/12/2021 From 9am to 4pm

Have items to sell from **your** garage? List your Villa with us, we advertise your Villa No. & you sell from your garage on the day. For our contact details see bottom of this sheet

Removal of your hard rubbish

Please note that if you have hard rubbish to dispose of this is your responsibility. The Residents Assoc. and the Residents Assistance Group **ARE NOT** in a position to do this for you as suggested in the Caretaker's update of 29/10/2021. You have 2 free tip vouchers each year or Little Green truck (see notice boards) may be able to help.

10 Pin Bowling Booking System

This is currently being finalised by the Residents Association and we will advise how to book & when it commences

Thursday Dinner – Table allocated by pick a ball

Please keep the ball rolling – the idea is you meet lots of new/existing residents & others are not embarrassed by being turned away from a table. Unless you have family or guests staying please have your name ticked off the list and pick a ball for your Villa only (not a group). **Please join in the fun & play ball with Residents.**

REQUESTS TO RES. ASSOCIATION

Rather than ambush Res Assoc. Committee members on the street, could we please ask you to email us, or drop a note in mailbox 16 or 345 with comprehensive info, pricing and how your request will benefit the residents. The reason we ask this is to avoid your request being overlooked & to save Committee members being late for appointments - Thankyou
