

REDCLAWS SOCIAL BOWLS CLUB PLR BARGARA

Meeting Held with Glenda and Lee Wilkinson, Caretaker Palm Lake Resort Bargara

Tuesday 14 July 2020, 10.30 am in the Sea Breeze Clubhouse.

In regards to three (3) items discussed at the Committee Meeting held 13 July 2020.

1. Mobility Scooters/bicycles/buggies. Can we ban/prohibit these on walkways around the green, whilst games are in progress. Lee said yes. There is a Duty of Care to all bowlers and spectators. This is also a Workplace Health & Safety matter. Lee will investigate a removal bollard/s which can be placed at either end of the main walkway ie Ocean Breeze Clubhouse walkway, 1 bollard at hairdresser end, and possibly one bollard at lap pool end.
2. Can the Committee place two plaques on two bench seats in memorium for Garry Kane and Brian Creek who gave so much of their time to the Bowls Club. Lee and Glenda said to order the plaques as they could not see a problem with this request.
3. Is it possible for the Committee to place a limit/ban on travelling non-residents playing on the greens during this Covid-19 Restriction time. Lee suggested that a Motion be put in place in our next meeting which will be held in August 2020.

On the above three items, the caretakers' suggested that the Bowls Committee seek approval from the Residents Association.

On completion of this meeting, an email was sent to Karen Honey, Secretary Residents Association. She emailed the Association's Committee Members and obtained agreement from six committee members. This agreement will be ratified at the next Residents Associations meeting being held on 3 August 2020.

4. Queried how many people can be seated in Ocean Breeze Clubhouse during Covid-19 restrictions: 100 people with social distancing.
5. Have sanitiser dispensers for around the bowls green been ordered. Yes but not ratified as yet. Supply date unknown at this stage.
