Chris opened the meeting by introducing himself and his wife, Trish. This meeting was held to discuss the condition of the two bowling greens (wear and tear) and playing north/south.

The caretakers have discussed the condition of the greens with Head Office and agree that changes should be made to the playing conditions. They will look into:

- (a) Longevity of the carpet (expert to check, plus quote)
- (b) New scoreboards (or rearrangement of scoreboards) for the northern end
- (c) Shades at the north end (quotes to be obtained)
- (d) Rotation (directive)
- (e) Maintenance

It was stated that the above will be taken in small steps as these things take time to organise and to get confirmation, etc from head office.
