MEETING OF REDCLAWS SOCIAL BOWLS CLUB, PLR BARGARA 12/06/2023

Greens Director:

1. John spoke about the proposed green clock and advised that he was waiting on feedback from the caretakers and that they had some concerns re the clock size, positioning and how the clock was to be secured to the stanchion.
2. John spoke of his concern re the unevenness of some of the rinks. Joan pointed out that she has "Care of Greens" literature from Green Gauge and was going to make that available if it could be located.

Bowls Director:

1. Julia reported that the pairs championship was progressing well even though there were a few issues with members being away and that one of the ladies withdrew halfway through a first-round match. The final should be completed before the end of June. In future, members will be requested not to nominate for championship competition if they are going to be absent for any part of the month when the comp is to be held or if they don't understand the commitment necessary.
2. The Triples sheets to be placed on the Bowls notice board Sunday 18 June 2023

GENERAL BUSINESS:

1. Next Sunday the 18 June is a sponsor day.
2. Sunday 2 July is a Women V Men event, and a sausage sizzle is to be held in conjunction.
3. Bob McNamee would reportedly be back coaching on Monday 19 June 2023 having recovered from a bout of illness. We wish him well.
4. Sandra reported that the Residents Association wanted to know the number of members Redclaws Social Bowls Club have. It was unclear as to why this information was being sought.
5. Amid ongoing concerns about the Residents Association taking over the Redclaws Social Bowls Club, John approached Jacky (Res Assoc Secretary) and asked her if that was their intention. Jacky flatly denied that was the case.
6. Joan presented the Redclaws Social Bowls Club Etiquette and Basic Rules Booklet and called for a discussion on members (especially new members and new bowlers) being presented with the booklet when they join the club. All believed this was a good idea as some bowlers do not have a clue re etiquette and responsibilities of the 'lead' and "second". No discussion was had re the printing of addition books.
