John Adamson gave a verbal report on the condition of the greens. A request had been given to Palm Lake Resort for the old green to be refurbished. This at first had been rejected by Keith Arnfield but on further reflection, he has now given the go ahead. Unsure at this stage of when this will commence.

At this stage safety rails (hockey sticks) have not been included in the refurbishment. John to obtain quotes and pass the costings onto the Residents Association and Redclaws Social Bowls Club.

A directive will be given (not yet received) by the Caretakers that play on the main green will be north/south and east/west. This will ensure even wear on the carpet. New markings have been completed.

John has suggested that bamboo or similar be planted along the south end of the green for shading. He will approach the caretakers on behalf of the bowlers.

**Moved:** John v7

**Seconded:** Joan v249

President Joan thanked John Adamson for his report.

President Joan Lembcke declared all positions vacant and passed the meeting over to Val Watson to oversee the election of the new committee.

Val Watson thanked President Joan Lembcke, and all committee members and volunteers for their hard work in making the Social Club an ongoing success.

#### GENERAL MEETING

1. John Adamson had been approached by the Caretakers re lights being left on. He requested that when bowlers had finished, they MUST turn off the lights and close the bowls shed.
2. Richard Hylard spoke re PLR bowlers getting new bowls shirts. It was suggested that Richard investigate this further ie design, cost and availability. Richard to bring his findings back to the Committee. Further consideration shall then be given. Any shirts with PLR insignia must have Palm Lake approval.
3. Committee Member/Greens Director position to be discussed at next Committee meeting.
4. The 2024 Annual General Meeting date to be confirmed.

Meeting closed at 10.46 am.

## GAMES DIRECTORS REPORT 17 September 2023

Hi everyone,

This is the last time I will be giving my report on the direction the bowls have taken this year.

I have been games director for five years now and things and myself have changed in that time..

I used to be a quiet unassuming person!!! but as each year has passed I've become a little more outspoken as I think you've all noticed.

It's not an easy job catering to the needs of everyone. There are sometimes 70 to 80 people and more to put into teams. Then you go up to play and someone says - I'm always out the back, or I don't want to play in that position or with that person. I'm going home!!! That's to name a few. But on the whole most of you are great to deal with.

We all go out on the greens to have a good game and enjoy ourselves and listening to the laughs and cheers from the green last Sunday I think you were having a great time.

We've had a full year this year with sponsor days and special events and I've enjoyed arranging them with the help of others. The competitions went wonderfully smoothly this year and they were great to watch even for non bowlers. The competitions bring out the best in players and they play well above their expectations. Well done to all winners and runners up.

I'd like to thank Jim and Coleen for standing in for me and taking the load off. Also Marilyn and Wally for being there for me when I've been ill. I'd also like to thank all of you who have helped me and especially the committee. I think we have worked well together and have given each other a lot of support.

I would now like to welcome Harold as the new game's director and wish him the best of luck and hope it all goes smoothly for you.

Marilyn, Joan, Wally, Harold, Warwick, Jim and Christine I wish you all a great year. You're going to be kept very busy.

JULIA FAGG
