At 9am, Richard Hylard attended the meeting in regards to information regarding the new shirts. He has spoken with Palm Lake Resort Management in regards to assistance with pricing of the new shirts. He has spoken with the Sports Factory in Sydney with prices being approximately \$42/shirt plus tax & postage. This price will include one pocket per shirt: chest area for men, and bottom of shirt for the ladies. Names are not included. At the moment of purchase, delivery would be 4/5 weeks. As some other Palm Lake Resorts have their own shirts, these new shirts, if agreed upon, will be for Bargara residents only starting with the lawn bowlers. Then possibly for the entire resort. Warwick will present all information at the next Resident's Association Meeting for their response. These shirts are of a polyester/breathable material. Richard then left the meeting.
