**GENERAL:**

1. Twilight bowls will continue being 3.30 pm start until decreed otherwise.
2. State of Origin Wednesday 5 June 2024 will consist of 18 ends. Start time will be 1.30pm.
3. Harold suggested an "International Day" ie Australian born versus Rest of the World born. The Committee agreed that Harold look into this idea further.
4. Theo set up all the chairs/tables prior to Sunday's big game. This was greatly appreciated. It must be stated that the bowlers return chairs to their rightful position when the presentation is finished. Theo has agreed to continue this practice. Thank you Theo.
5. The Redclaws Committee have always been under the assumption that the Committee volunteers were automatically covered by the Resident's Association Liability Insurance. Same as all volunteers. A letter has been sent to the Resident's Association requesting clarification. As per this meeting, a reply has not been received.
6. The singles championships have been going well. To be finalised by end of May 2024. The Men and Ladies 3 Bowls Pairs will be placed on the noticeboard this week. At the moment we have received 22 name for the mens teams and 11 names for the ladies.
7. Darren McCracken (Crackers Bowls Shop) has approached the Committee and requested a pop up shop in early September when the Beachmere Bay Palm Lake Resort bowlers are in attendance. This will be discussed further as the event draws nearer.
8. Ralph turns 90 later this year. A bowling day would be great. This to be discussed further.

The meeting closed at 10.07am.
